

Payments Accepted

Credit Cards: MasterCard and Visa are accepted.

Personal & Business Checks

Cash

Insurance: Along Came Carol protects its business, staff, and clients with full insurance coverage. Limits of \$1,000,000 General & Liability

Payment:

Payment for our services may be made by check at the end of the event or processed on your credit card on the next business day following your event. There is an administration fee of 10% on all events. This fee helps defray the cost of our office processing, planning (planning with planners, rental companies, liquor stores, and site visits etc.) and insurance; specifically general liability and for extensive consultation and/or planning.

Gratuities:

Most people ask what an appropriate “cash tip” would be for staff persons. Specifically, since our staff usually exceeds our client’s expectations gratuities typically begin at 25% of the hourly rate charged. This is only a guideline and your gratuity to each individual staff person should solely be based on your expectations. When full service catering is provided a 20% service charge is automatically added to the final bill based on the Menu / Food Costs only. Cash Tips are in addition to the service charge added to the final bill.

Should you have any questions or concerns regarding this information please contact us directly. I appreciate your support and we look forward to serving you.

Respectively,
Carol & Mark
